## S t u d e n t

## EDUCATION

---

### Aalto University

2021 – 2024

BSc in Science and Technology

Major – Digital Systems and Design

Minor – Mathematics

## EXPERIENCE

---

### Front-End Development Project

A prototype of a movie theater reservation system built using HTML, CSS, and JavaScript. This was done as my final project for my bachelor's degree.

### R&D Software Development Project

A group project for an Industrial Training course, where I participated in the back-end development of a video recommendation/fetching project.

## COURSES

---

- Design Thinking and Electronic Prototyping
- Design Thinking and Advanced Prototyping
- Electronic Circuits

## SKILLS

---
